## PORCELAIN INTERIOR FLOORING PRODUCT

PRODUCT IDENTIFICATION	N		
	Commercial Designation: Icon		
	Description:		
	Porcelain suitable for interior use in a variety of architectural situations		
	Colours: Bone   Taupe   Dove   Gunpowder   Jet B	ack	
	Size: 300x600, 150 x 900, 450 x 900,1200x12	00, 450 x 900, 600 x 1200, 800 x 800, 600 x 600.	
	Thickness – 9.5,10,11mm depending on format- check at ordering		
	Material: PORCELAIN		
	Origin: Italy		
	Icon Porcelain is a long-lasting porcelain flooring tile that retain their colours and appearance over the years. Tiles are created to resemble contemporary polished concrete effect

Stain Resistance	EN ISO10545-14	4
Slip Resistance	DIN 21130	R10 / R11*Grip finish
Colour or shade		V2 slight variation

## MAINTENANCE

The fact that Porcelain Natural tiles have low water absorption makes them almost maintenance-free, since dirt, moss and moulds cannot attach themselves to the surface. Regular sweeping or cleaning with water and a non-aggressive soap are sufficient to keep the surface clean. Avoid the use of sealers and maintenance products that contain oil. The low porosity of the tiles means that the oil or sealer will form a greasy layer on the surface.
