Raj Green

FINEST HANDCUT PAVING

Our traditional hand cut sandstone and limestone paving is a very popular choice. Slabs feature a softly riven surface and a hand fettled edge.

See our full range online www.stoneworld.co.uk

Raj Green

FINEST TUMBLED PAVING

Tumbled paving is available in eight sandstone and four limestone options. The paving slabs in this range have a timeworn appearance with gently tumbled edges and surface. A patio in tumbled paving quickly looks established in its surroundings.

PORCELAIN PAVING RANGE

Our porcelain paving range is available in a wide selection of natural looking styles.

All slabs are a robust 20mm thick and are completely frost proof.

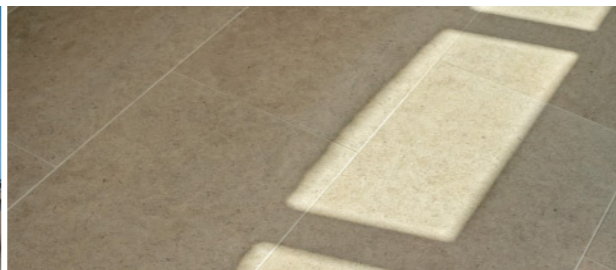

Don't forget to ask about our porcelain cutting service when you place your order. Make installation easy!

Our full range includes sandstone, limestone, slate, granite and travertine. Please view online www.stoneworld.co.uk

OUR GREAT BRITISH STONE SELECTION
FEATURES A RANGE OF BRITISH STONE PAVING

INSIDE AND OUT

Are you planning a bi-fold door onto your patio? Ask about our range of paving and flooring products suitable for bridging the space from interior floor to exterior patio.

La Roche Limestone is ideal. Available in various interior and exterior formats.

Ask about alternative stone and porcelain options.

AGGREGATES & WALLING

We have a wide range of ornamental gravels suitable for driveways, paths and courtyards. We deliver bulk bags containing 950kg, or small 25kg bags are available for small projects.

Our walling stone is available in several formats catering for both informal and formal structures.

STONECARE

The Rob Parker's Best range offers Total Stone Care solutions for stone owners. These products have been scientifically developed to address the care and maintenance of all stone.

Find out more at www.robparkersbest.co.uk

We recommend Resiply Jointing compound for pointing paving projects. This longlasting resin based jointing compound makes pointing easy! Available at Stoneworld. **Three colours to choose from to suit your paving.**

STONeworld MASONRY CUTTING

Take your project to the next level!

Our onsite masonry workshop can assist with stone and porcelain cutting, making installing much easier. Step treads, copings, etc can be cut to size and bull nosed for a professional finish. Ask at the time of ordering.
