

Job description

Are you looking for a job that allows you to use high-tech and innovative machinery whilst growing your skills in an exciting industry?

Are you looking for a way to kickstart your career in stone and gain knowledge in stone masonry?

Stoneworld is a fast-growing business with a passion for stone that is looking for a **motivated operative for our Oxfordshire masonry workshop**. From day one, all our employees receive the training and support they need to excel and grow at Stoneworld, learning everything that is involved in stone masonry and create exciting products in a close and friendly workshop.

We heavily invest in ensuring our staff can grow their skills and learn new skills with us. From professional development plans, through to vocational certifications, we ensure our people can grow with the business. Over the past twenty years our specialist masonry factory has grown, with new and modern machinery being added regularly - meaning you can train on some of the most cutting-edge masonry technology available.

Main responsibilities:

- Operating CNC machines including Waterjet and 5 Axis Saw.
- Use of hand power tools.
- Producing bespoke products for the private and commercial sectors.
- Helping to maintain a safe and productive environment.

Skills required:

- Forklift experience desirable but not essential.
- Previous manufacturing experience preferable.
- Must have a good eye and attention to detail and be a committed team player.
- An enthusiastic attitude towards learning.

Hours: **7.30am - 5.00pm** with occasional weekend overtime available

Salary: **£24,000.00 - £29,000.00** depending on experience

Stoneworld is located outside of Oxford in a rural setting, near to Junction 8 of the M40. Due to the limited bus service, you will need to be able to travel to our premises.

Schedule: Day shift, Monday-Friday.

Work Location: **In person**, no opportunity for remote work.

Ability to commute/relocate: **Oxford**: reliably commute or plan to relocate before starting work (required).

Other perks:

- Friday afternoon drinks.
- Company socials.
- Staff Discount.
- On-site parking.

Job Type: Full-time

Salary: £24,000.00-£29,000.00 per year

Work Location: In person.

If the opportunity to advance your career in stone masonry as our **Workshop Operative** and working in an exciting, hands-on environment excites you, please contact us today.
